

First-Year Student Senate Application

**LaGrange College
Student Government Association
2017-2018**

LaGrange College

First-Year Senate Application, 2017-2018

*Caitlyn Deal, SGA President &
Diego Torres, Vice President of Senate and Parliamentarian*

Senators from the first-year class (individuals with less than 30 hours of academic classes attempted at the College level) are selected following an application and interview process. First-Year Senate applications are distributed within the first three weeks of classes. The application and interview process should be concluded by the date of the first SGA Town Hall meeting. The schedule for 2017-2018 First-Year Senators is below:

- Wednesday, September 13, 2017: First-Year Senate Applications Distributed
- Wednesday, September 27, 2017: Completed Applications Due to Dean of Students Office. Sign up for your interview time as well (Smith Hall, Room 124)
- Thursday, September 28, 2017 – Tuesday, October 3, 2017: Interviews (to occur in Smith Hall, Room 104)

Our job as the senate is to be a group of students that are committed to the success of SGA and to be the voice of the student body. We will staff events, poll our student body on issues, events, and ideas that are presented to us, and form committees on issues that are important to the campus. Our main goal is to provide a better environment for the students of LaGrange College. For each class a President, and two Class Representatives will be selected which will then make up our twelve-member student government senate. Senate applicants and acting Senators must maintain a 2.6 cumulative GPA to be eligible for consideration. Senate members may be removed for poor attendance or behavior that does not reflect the values of the SGA or the institution.

In completing this application, we will expect you to be fully prepared and dedicated to being a member of SGA by attending all meetings held by SGA as well as each meeting that the senate will hold. By signing this application you are dedicating yourself to uphold a higher standard of excellence and to being a leader within the LaGrange College community. Upperclassmen Senate members will be elected by campus-wide vote each spring semester.

For any questions contact Caitlyn Deal at cdeal@student.lagrange.edu

SGA First-Year Senate Application, 2017-2018

Name: _____

High School GPA: _____

Campus Box Number: _____
