**Information for incoming commuter students**

As a College, we are excited to welcome you to our campus community. LaGrange College offers a wealth of exciting opportunities for your intellectual, spiritual, and personal growth. We hope that information contained in this document will help you prepare for your arrival on campus.

**Have you completed, returned, and received permission to live off-campus for the 2018-2019 year?**

If you have not, please go to this link to download, complete, and return your form (and other additional documents) as soon as possible. You can find this form at this link

**First Week Information: Incoming First-Year/Freshman Students**

All incoming first-year (freshman) students are required to participate in First Week – a series of intentionally designed events to welcome and assist you integrate into the campus community. During First Week, you will have the opportunity to meet your fellow students in the freshmen class, the members of your Cornerstone class, and staff resources from across campus. You will also have the opportunity to participate in a number of social, educational, and service events with your fellow Panthers. Although you will be given a brochure with full details about First Week when you arrive on campus, an abbreviated schedule of First Week events is accessible on the previous Webpage. We encourage you to look over this schedule as it may impact your plans while you are on campus.

**General Questions**

First Week activities, orientation, and housing are all overseen by the Division of Student Engagement at the College. If you have any questions regarding these events or programs at the College prior to your arrival, please feel free to contact Brian Carlisle, Vice President for Student Engagement, at [bcarlisl@lagrange.edu](mailto:bcarlisl@lagrange.edu).

*Prior to coming to campus*

We encourage you to review the following helpful Websites prior to coming to campus:

Student Housing (<http://www.lagrange.edu/campus-life/housing/index.html>)

- From here, you can access your hall's floor plan and gain information about your room; we have also included suggested items to bring with you, as well as restrictions on your space.
- For a general idea of the college's rules, prohibited items in your residence hall room, etc. feel free to refer to the link for the college student handbook from the **2017-2018** year ([http://panther.lagrange.edu/pdf/student-engagement/2017-2018\\_StudentHandbook.pdf](http://panther.lagrange.edu/pdf/student-engagement/2017-2018_StudentHandbook.pdf)). Please be aware that the college student handbook is updated each year and will be announced via email the beginning of the **Fall 2018** semester.
